

SAS Customer Intelligence Consulting

Munvo empowers your business to leverage SAS Customer Intelligence (CI) 360 and 6.X for the delivery of personalized communications across your customer journey.

SAS Certified Across the Board

Our certified specialists have in-depth campaign management knowledge and delivery experience with SAS CI, as well as full SAS CI certifications and training through the SAS partnership program.

In addition to earning the **SAS Customer Intelligence Specialization badge**, Munvo is also a **SAS Gold Partner**.
